

NEXT WEEK IS ONE  
OF THOSE LONG HOLIDAYS

So next Monday is Labor Day, one of those long holidays that take toll on the highways in accidents and deaths. We hope you'll all drive carefully, if you feel you must drive on the main highways.

And to our faithful news writers, we have to give a reminder on the first-of-the-week holidays that raise heck with weekly newspaper schedules.

No rural routes go out on legal holidays. So--will all the Messenger news writers get their news letters in the mail a day early next week, even if you have to mail Saturday?

Thanx. Just do the best you can with the unhandy situation and we'll be happy enough. (That's what we plan on doing --only the best we can, on these Monday, Tuesday or Wednesday holidays.

After Labor Day, of course, all our schedules will be back to normal, on the news-getting side.

And we've been thinking a lot about the annual Messenger picnic, held heretofore in the Weidman Park.

This year we have a yen to show our appreciation of our rural writers with a press dinner or lunch at the Weidman Restaurant.

Any suggestions or opinions, Messenger news writers?

## Bill Ohls Offers Easy-Access Fishing Site

Wm. Ohls has offered a piece of shore at the north edge of the Weidman mill pond as a contribution to safety for those fishing along the north road.

Bill has a piece at the north shore, on the road, and proposes to have the Isabella County Road Department send in machinery to cut a small hillock down and create a safe place for fishermen to stand and enjoy their sport.

This offer certainly will be investigated further, as standing room on the north fishing site is at a premium much of the time when the fish are biting.

It would greatly enhance the attractions of fishing on the Weidman pond.

The north road across the Weidman mill pond is looking better these days, since a county mower cut reeds along each side of the roadway, and folks have been enjoying evening fishing there the past few days.

Monday of this week, Ernie Loomis cleared brush from a small jut of land he owns just after the north turn from the blacktop, revealing two very beautiful trees and creating a lovely spot to look at. No matter what developments may be forthcoming along this controversial road, Ernie's small spot at the south edge is showing up as an asset to beauty.

In a telephone conversation with Ernie Bruce Tuesday morning, Ye Ed learned that no immediate plans are under way for rebuilding the bridge

## WBA Steak Fry Tonight at Park

This evening, Thursday, the Weidman Business Association will enjoy its first recreation --a steak fry at Mitchell Memorial Park in Weidman, with wives and husbands of members invited.

Heretofore, the WBA has been all work and no play, and members have worked long and hard to make our village a better place in which to live and trade. This once, it was decided at its last regular meeting, the members rate one evening of recreation out of its ten years of activity.

Next Tuesday evening, Sept. 3, the Weidman Firemen will hold a steak fry at which their wives will be guests.

The Firemen are also a hard-worked organization, and a couple of steak fries a year are their only recompense.

The Firemen's party also is scheduled at the park in Weidman. ---0---

THE SCHOOL BELL REALLY RANG HERE--View of the old Weidman High School, where we oldsters got our 'larnin'. There were no school buses then, and we all walked. Some of us walked one to three miles to school each day. Today's kids are lucky in their up-to-the-minute beautiful buildings with all-modern facilities; note in right-hand corner of photo a glimpse of the "facilities" of our school days. Next week Tuesday the modern Weidman and Beal City Consolidated Schools begin their current year; the Beal City parochial school starts the middle of the week. Beal City intermediate-grade kids have one of the finest new school buildings in Central Michigan, in the parochial school.

Above photo was probably taken in 1913 or 1914. It was loaned the Messenger by Mrs. Bertha Gross.

### 85 Attend Two Rivers Reunion

The Two Rivers School reunion was held Sunday, Aug. 25, at the CMB Hall at Two Rivers.

A picnic dinner was served to about 85 guests. A business meeting was held with Mrs. Herman Martin being re-elected president, Mrs. Myra Hummel, vice-president, and Mrs. Lillian Wonsey, secretary-treasurer.

A door prize was awarded to Orrie Merrihew; a prize to Mrs. Lillian Wonsey for the lady with the largest waistline; to Jane Shippee for the smallest waistline; Altheda Robinson came from the farthest distance; the youngest grandmother was Mrs. Lillian Wonsey; and Mrs. Edith Craven was the teacher present who taught the school the greatest number of years ago.

A granddaughter of Mr. and Mrs. Ed Schlafley of Clare gave a very amusing skit, and Mrs. Lillian Wonsey read a poem, "Two Rivers" by George Lawrence, taken from the Weidman Messenger many years ago.

It was mentioned that Dr. Donald McRae, who never misses the reunion, was unable to attend because of ill health, and it was suggested that he might appreciate cards from his friends. His address is 259 W. Grand Boulevard, Detroit 16.

Everyone left for home, having spent a very enjoyable day. \*\*\*

## In Memoriam

In loving memory of our dear wife and mother, Mary Higbee, who left us so suddenly two years ago, Aug. 25, 1955.

When the evening shades are falling,  
And I'm sitting here alone,  
To my heart there comes a longing,  
If she only could come home.  
Oft and oft my thoughts do wander  
To a grave not far away.  
We think of you in silence--  
No eye can see us weep,  
But many silent tears are shed  
When others are asleep.  
Her husband and family.

An accident insurance is available to all students as part of a group plan. Briefly the student is protected coming to and from school, at school, and at school sponsored events either at or away from the school. The annual fee is \$1.50. Enrollment blanks will be sent home with the children. Parents are neither urged nor requested to enroll by school authorities, it is simply a service that is available if the parent desires the service.

Mrs. MacKensie and Miss Ritchie will be at the school Friday, Sept. 6, from 1 to 3 P. M. to talk with children or parents of children desiring to arrange for piano lessons.

The south parking lot has been enlarged to accommodate more cars and all teachers, students, parents and the public are requested to use the south parking lot in the future. The north parking lot has been graded and reorganized to accommodate the school bus fleet. The parking of additional cars at the north entrance would interfere with the buses arriving and leaving the school grounds. Parents picking up their children after school are asked to come into the south parking lot rather than picking them up in front of the school. Cars parked in front of the school create a hazard for children walking toward town.
