SCHOOL MILLAGE ELECTION TO RAISE TAXES MAY 6

The Board of Education of the Chippewa Hills School District has set Monday, May 6, as the election date for the taxpayers of the district to vote on a 10-mill tax for three years, apparently for operating expenses.

The Messenger has received no information on this election as we go to press, and the date of election is drawing very near.

In this tax-involved election, all persons registered as legal voters with their township clerks may have a vote, whether they are property owners or not.

Property owners should be highly interested, as this proposed tax vote is a raise of 6.3 mills over what we have been paying for the school's operations.

According to a March 26 news story in the Barryton Press, 3.7 mills is a renewal of millage expiring, and 6.3 mills is the additional tax requested by the schools.

Anyhow, keep in mind that there is a school-tax election set for Monday, May 6, and vote according to your conscience.

THOSE GRANGE SUPPERS ARE REALLY WONDERFUL

So down to the Broomfield Grange Hall a recent night to enjoy the Grange ladies' superb cooking and baking for one of their famed smorgasbords.

Everything is home-cooked or home-baked, and those Grange ladies are experts at both. We always thoroughly enjoy our Saturday suppers at the Grange smorgasbords.

Last time there we were given a couple of communications from the State Grange, and we are interested in the Grange's stance on pesticides, and we approve it.

The executive committee of the Michigan State Grange has passed a resolution recognizing the need of agriculture to have available controlled and safe pesticides in the continuing fight against pests.

However, the Grange urges further study and research before the enactment of a bill such as House Bill No. 3911.

The Grange opposes removal of the administration and control of pesticides from the Department of Agriculture, and proposes that provisions be inserted in the bill that would allow for ap-

Men in Uniform

THEY CAME HOME

The group of four service men who went through training and then combat together came home this past weekend, for which the whole community is thankful.

Sp/4 Richard Zeien arrived home the weekend, while Sp/4 Jack Cotter was called home two weeks ago when his wife was injured in a car accident.

Noel Flaughter and Paul Bush arrived home 24 hours after Dick got here.

We hope to get interviews with some of these boys for next week's paper.

Meantime, we are happy with the families of these fine young men.

TERRY SCHAFER IN COMBAT AREAS IN SOUTH VIETNAM

We have word that Terry Schafer, son of Mr. and Mrs. Edward Schafer of Beal City, has been receiving good amounts of mail in Vietnam, and appreciates it greatly.

In writing his family, Terry said he was getting "lots of mail, some of it from people I hardly know, and it helps a lot."

Terry said he wants to thank all those who have written him, and he hopes they will keep on writing, as mail to a Man in Uniform in Vietnam is just about the most precious thing there is.

Terry's folks, Ed and Mildred Schafer, have been getting telephone calls for Terry's address. We are pleased to print it again, to help keep Terry's mail coming:

Pfc. Terry R. Schafer, US-54971089, Co. D1/2, APO San Francisco, Calif. 96345.

Terry writes his folks that he is kept so busy he hardly has time to write his own family--but he sure does love to get letters from all the people around here. He says to tell them he is sorry he can't write everyone, but please keep the letters coming.

He is in a rough area on rough missions. He is in the Infantry, at Quan Log, near the Cambodian border, where heavy fighting erupts often. He has been in combat at least once that his folks are aware of. His latest letter was received by his parents Good Friday, and he had just got back "from the field", or the combat zone.

"Right now we're not doing anything," Terry wrote. "I hope it will be a few days before we have to go back out there."

Five men in his platoon were

The youth groups of youth choirs of the church presented a lovely Easter evening service, with a special candle lighting at the close to form a cross, the unforgettable symbol of Christianity. A special thanks to them for this inspiring service.

In the Editor's Mail

Dear Miss Roe:

I am writing to see if you would have a few papers left with the obituary of Rexford E. Allen, who was my father. I am enclosing \$1, and if you have five or six I would appreciate it very much. Also, how much is your paper for a year?

Back in 1944 or '45 when I was working in Owosso, I read an article in the Colliers Magazine that you had written about Weidman and the people around there. And you mentioned my grandfather, Jacob Fackler, and his robin, and if I rightly remember, there were pictures of the store with the names of the boys in service printed on the side of the building.

Thanking you for your time.
Sincerely, Vera L. Allen,
Sears, Mich.
